

AIMS: Support institutions to become *real* LLL institutions

Disseminate, exploit
BeFlex(+)

Embed in institutions through
online workshops

Status: ongoing (2011-12)

Conclusions from the workshop

- There is a strong will for this: making it **actually** happen in a **particular** context is the difficult part
- RPL e-learning resource piloted in Genoa
- Some things right: more to do
- More workshops in Graz
- Launch in Malta

Call for volunteers

- Short video clips to be filmed - do you have a good story? Or similar real-life stories to inspire
- People to test the e-resource as we build it
